Concord High School Athletic Families

We are very excited to offer athletics for the 2009-2010 school year. In order to continue sports for the remainder of the year, we need all of our Fall athletic families to participate in the new Contribute to Play policy implemented by Mt. Diablo Unified School District. Thank you to all of you who have already contributed, it is very much appreciated. The school board will make a determination on October 27, 2009, on whether or not to continue with athletic programs for the remainder of this school year – and we would like to offer athletics next year.

Please make your Contribute to Play donation now. If we can show the District that we support athletics and want them to continue, we can ensure a "Yes" vote. Payment can also be arranged, please contact our Treasurer, Ramon Hoekwater. Below is important information you need to know about the new policy and other changes made to continue athletics.

Thank you for your support,

Dr. Gary McAdam
 Principal
